May 2, 2018

Dear Williamsburg Elementary School Families,

This year, field day activities will take place at our new athletic/community venue, Abrams Stadium, on the campus of our middle/high school. I'm excited that our students and those of you available to attend our field day activities will get to experience first-hand our exemplary new stadium, all made possible by the generosity of the Abrams Family.

If you plan to attend field day events, please note that a limited number of parking spaces will be available near the stadium on our middle/high campus. Once these spots are filled, please park at Osborne Field, where you will find plenty of available space. If parking at Osborne Field, simply walk down Wilmar Avenue and take the paved path at the end of the street that leads to our new stadium.

Please use caution when parking at the middle/high school as school is in session and many of our high school students drive to and from school. We ask that you only park in marked parking areas and avoid parking on grass or in any fire/traffic lanes.

We will conduct as many events as possible near the home bleachers of the stadium so our families can take advantage of the new seating at Abrams Stadium.

To help make Field Day an enjoyable experience for your student, please:

- Send your child with a water bottle with his/her name clearly marked on it.
- Make sure your child wears sun screen.
- Is dressed appropriately (meet all dress code expectations) and has the proper shoes to compete. Students must wear gym shoes to compete in any event.

Field Days are as follows:

Friday, May 11th

- Grades 1 & 2 from approximately 9:30am-11:30am & 1:00pm-3:10pm

Friday, May 18th

- Grades 3-5 from approximately 9:30am-12:00pm & 1:30-3:10pm

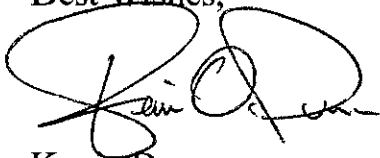

We have field days to provide a fun and memorable end-of-year experience for our students and to provide an opportunity for families to join in this tradition. With that being said, field day is a privilege extended to students, one they must earn and respect. Field day requires students to show responsibility, sportsmanship, self-control and demonstrate safe behaviors at all times. My goal is for every student to participate. However, I reserve the right to withhold any student at my discretion. I will not allow a student to participate who may compromise my ability to ensure all are safe and enjoy field day.

Our staff members are responsible for monitoring students during field day. Students cannot leave Abrams Stadium with a parent/guardian unless they sign their student out.

Please note that all library books must be returned prior to field day for students to participate.

Thank you and I look forward to seeing you at our upcoming field days!

Best Wishes,

A handwritten signature in black ink, appearing to read 'Kevin Dunn', written over a large, stylized circular flourish.
